Narrative

On May 18th, 2025, at 1:48 PM, Town of Geneva Police Officers were notified of a traffic crash on Highway 12 near the Elkhorn exit. Officers responded and noticed a newer, dark in color BMW SUV that was involved in a traffic crash at that location. Officers located one of the occupants lying in the roadway and two other occupants in the vehicle. Fire and EMS arrived on scene. Lifesaving measures were performed. The driver and passengers were taken to local hospitals for their injuries.

The Walworth County Sheriff's Office Crash Reconstruction Team investigated due to one of the passengers having life-threatening injuries. It appears that this is the only vehicle involved in this traffic crash, and high speeds were one of the contributing factors. This traffic crash is still under investigation, and charges are pending. Highway 12 was closed for a short period of time, but has now been reopened.

The names of the individuals involved in this traffic crash will not be released at this time, as this traffic crash is still being investigated.
